KIDS HELP PHONE COMMUNITY AMBASSADORS

sponsored by

BMO  Financial Group

Kids Help Phone manages two vital services to help Canadian children and families. Kids Help Phone (1-800-668-6868 / www.kidshelpphone.ca) and Parent Help Line (1-888-603-9100 / parentsinfo.sympatico.ca) are Canada's only national, bilingual, toll-free, 24-hour anonymous and confidential phone counselling, referral and Internet services for children, youth, parents and caregivers. Professional counsellors answer approximately 1,000 calls and online questions every day from young people and their parents who talk about all kinds of issues including physical, sexual and emotional abuse, drugs and suicide.

Volunteers do not work on the phones.

A word from BMO Financial Group:

BMO Financial Group works with Canadians to build healthy, strong and happy communities. As sponsor of Kids Help Phone's Community Ambassador program, BMO is proud to support volunteers across Canada.

Community Ambassadors are a vital network of supportive volunteers who initiate our local, community-level awareness and fundraising campaigns across Canada.

As an individual, a family or a group of co-workers, when you support Kids Help Phone you are providing encouragement, hope and access to resources to hundreds of children every day.

◆ One phone call can make a difference.

At Kids Help Phone, we make a difference in children's lives 24 hours a day.

Professional counsellors answer calls and online questions from kids in more than 3,000 Canadian communities every day. Counsellors have access to a database of 31,000 community and social services listings, so callers can be connected to local resources.

"I don't know what's going to happen in my life, but I wanted to thank you for listening. You were the only ones who did."

Katie, 13

Some Easy Ways To Help

◆ Volunteer with your local Kids Help Phone chapter

Kids Help Phone has chapters across the country. We depend on our regional volunteers to support local fundraising and awareness events. Our chapters are an important source of income for Kids Help Phone and your help and expertise are always welcome.

◆ Tell the children in your life about Kids Help Phone.

Give them the number 1-800-668-6868 and/or the web address www.kidshelpphone.ca.

◆ Participate in Kids Help Phone events in your community

Whether you volunteer or participate as an individual or team member, there are lots of fun Kids Help Phone events taking place throughout the year. By participating in Kids Help Phone events like walks, bowl-a-thons and dinners, you'll be helping us raise the funds necessary to be there for kids 24 hours a day.

Visit our website www.kidshelpphone.ca or contact your nearest Chapter for details.

◆ Make a donation

Make a contribution to Kids Help Phone, by mail or at www.kidshelpphone.ca. In return, we'll give you a charitable tax receipt for income tax purposes.

◆ Sponsor an event - provide a gift

Kids Help Phone holds its own fundraising events and we're always looking for corporate sponsors as well as merchandise, services and prizes. It's a great way to help and to receive public exposure for your company or product.
