All Ontario sites had beautiful sunny weather! Hurray!

All sites featured staff except for Sarnia: Alyson headed to Belleville, Kelly to Durham, Heidi to Hamilton, and Caterina to London while Shelley Levitz went to Ottawa and Jennifer B. (Toronto Counsellor) was in Kingston.

Minacs Worldwide hosted the first annual Durham walk in Oshawa, with hippie, turtle and regular walking teams. Joining the festivities were Chief Kevin McAplene from the Durham Regional Police and Jerry Archer a local radio celebrity who was the M/C for the day. Cotton Candy and an exciting kid zone entertained some of our smaller walkers while some of the older walkers enjoyed pizza, the Hummer donated by GM, and character artist.

We even ran for the cause!
