

swissmedica O24™ Pain Neutralizer - 1oz (30mL) Bottle

O24™ Pain Neutralizer is a revolutionary formula made from seven essential oils - to neutralize pain. O24™ was inspired by our loved ones who were weighed down by chronic pain and needed a hand in their fight.

O24™ Pain Neutralizer has garnered worldwide endorsements from doctors, practitioners, therapists, trainers, athletes, and every day people.

Medicinal plants have been used to optimize health and relieve symptoms for almost as long as humans have inhabited the earth. Essential oils are distilled from those plants.

O24's Patented Technology (U.S. Patent 6,444,238 B1) combines these essential oils without the use of additional binders, synthetics, or preservatives. There is nothing unnatural between you and nature's power.

Contains NO: synthetics, preservatives, alcohol, water, glycerin, or any artificial ingredient. NO animal testing.

Actual Size Not Shown

Product Description

One ounce easy to use spray bottle that evenly distributes relief.

Formulation: O24™ Pain Neutralizer is derived from the active ingredient Camphor and combines with rosemary oil, aloe vera oil, eucalyptus oil, peppermint oil, orange and lemon oil.

Use of the Product: Spray on affected area and massage into the skin in a circular motion with light pressure or try a soak with a few drops in the running bath.

Benefits: Relieves minor aches and pains of the muscles and joints. The spray bottle gives the consumer more value for their money by giving them approximately 120 uses of the product. For the hard to reach places the spray allows them to apply the product on the point of pain without having to strain to reach their affected area. Allows them to control the amount of product they need to use by applying one or two sprays as needed.

Warnings: For external use only. Avoid contact with eyes. Do not apply to wounds or damaged skin. Keep out of reach of children. Pregnant women should consult a physician before use.
